Mission of the Week

Jeremy and Adrienne Penner - Multiply in Thailand

Our 2nd and 3rd year apprentice church planters began their next semester of Bible School training this past week, and we have also opened a brand new discipleship school in our area (in Ko Pho) that will run for the next 3 months! We currently have over **100 people in training to be missional leaders & church planters!**

We're realizing that it's impossible to be in person and coaching everyone all the time. As this period of expansion happens, we are blessed to have a strong team around us. Together we are laying out a roadmap for mutual support and encouragement, a way for our leaders to coach each other, be accountable to each other, and assist each other in local regional clusters. With new interns beginning Bible School, we actually have 3rd and 4th generation church planters emerging!

Praise God that in the midst of hardship & brokenness, God is multiplying disciples in Thailand & Myanmar. As we enter into the dark, isolated and forgotten places of our world, we see the gospel growing like a flower through a crack in the pavement. **Please pray for more faithfulness and more fruitfulness in our young team, and in us!**
