He told them another parable: "The kingdom of heaven is like a mustard seed, which a man took and planted in his field. Though it is the smallest of all seeds, yet when it grows, it is the largest of garden plants and becomes a tree, so that the birds come and perch in its branches."

Mission of the Week

Thank you for Praying for us throughout the summer!

Whether or not you made it to camp this summer or not, we deeply appreciate the way you were involved in all that God did by praying for us throughout the summer! God did some incredible things, and we will not fully know all that He accomplished until we are on the other side of eternity.

TEEN: We had a full Teen camp to cap off the summer. This year, we hosted one of our biggest teen camps in recent history with 100 campers on site! It was so cool to see our campers come with a hunger to know more about Jesus and a genuine desire to grow in their faith. We enjoyed having many LIT's returning as campers, as well as some first time campers, and everyone in between. Some highlights included skills, wide/night games, chapel times, coffee house, and a new event: Journey with God. Which was a silent retreat featuring a number of stations for campers to spend time with God all over camp.

What campers said:

"This week I learned that God's love never runs out, his forgiveness is as quick as a spark, Jesus never leaves us. And God won't always tell us why some tragedies happen, but he never stops loving us."

"I learned that I don't believe in God. However, I have found peace that I thought I would never find. And that is why I'm coming back next year."

Praise items from Teens:

- The summer team had enough energy to minister well, even after a long summer, and many late nights
- The teens responded very positively to the Journey with God evening, and it was a highlight for many
- Many teens came carrying heavy burdens and many gave those burdens to Jesus

As we wrap things up for the summer, our full-time team will be taking some much-needed time off to rest over the next couple of weeks.
