Mission of the Week

Jen Schmidt - Matthew Training Center

Our Hadime Raises program ended in early July. Pray for our Hadime Students who are seeking to honor God in new ways in their lives as they have returned home and face different challenges and adventures. I am encouraged to hear how they are readapting to their lives and seeking to pursue Jesus in their lives.

My highlight this summer was having one of my nieces come! I loved having Zoie here and spending time with her. I was very proud of her. She worked hard!

In the meantime, MTC has moved in our rental season! We are thankful for the income that this provides for MTC, as it helps us be self sustaining in keeping up with maintenance and property costs

Praise God for friendships. Pray for our neighbor here at MTC. I've had different opportunities to connect with her and she even taught me how to make a Mexican dish that I hadn't attempted before.

Will you join me in praying for some legal issues that we have run up against in regards to our banking. We have been working to unblock our Mexican bank account. It's been a slow process and we are in the final stages, but depend of God's grace and mercy for the bank authorities to receive and accept the new paperwork and allow us to continue forward with this account we have. Dealing with the bureaucracy in any country can be challenging, dealing with it in a foreign country has greater difficulties.

Praise God for so many of you who partner with me and the Lord in the ministry here at MTC. I am continually grateful for your encouragement and partnership and prayers!
