Mission of the Week

Adult and Teen Challenge of Central Canada

Denare Beach & Flin Flon-----

We've just received word from first responders that, in addition to the complete loss of our Denare Beach Men's Campus, multiple other Adult & Teen Challenge facilities are now at risk due to shifting winds and merging wildfires.

Our vocational shop and staff housing—located on a separate lot from the campus—are in the direct path of the fire. Fire crews are working hard to defend these buildings, but the danger remains high. In addition, our Community Office in downtown Flin Flon is now also considered at high risk as nearby fires continue to grow and converge.

We are heartbroken by this unfolding situation. The campus loss included our newly acquired truck, septic truck, trailers, and other vital equipment that supported recovery and training programs.

We are deeply grateful for the tireless and courageous work of those on the front lines, many of whom are volunteers, doing all they can to protect lives and property.

In the face of such loss, we hold fast to our faith. The Lord remains our anchor and source of hope. Thank you for continuing to pray with us and for the many others affected in this region.
