Mission of the Week

Circle Square Ranch - Jake & Christine Fehr

What an exciting time of year it is! Our spring staff team has joined us and we are looking forward to having a spring full of group bookings. A huge praise that happened over the last week was that we found a female summer program director that can begin immediately. Once again God has gone over and above by sending someone that is extremely qualified to fill a spot that we did not think would be filled this summer.

Another praise item is that a major water leak was discovered and repaired this last week. This leak was causing major issues with our water system causing us to need to shut down the water line to one of the staff houses and our barn throughout the day for the past 3 months. Continue to pray for camper hearts this summer as many of our kids have never heard the gospel.
