Mission of the Week

Square One World Media

Thank you for standing with Square One World Media as a faithful ministry partner. Your prayers, encouragement, and financial support this year have enabled us to share the story of Jesus through faith-filled media, reaching heartland homes around the world

Because of your partnership in 2025, we were able to produce more than 77 episodes across four new projects:

- 26 episodes of *Voice of Hope (Low German)*
- 39 episodes of *Who Am I (Arabic)*
- 6 episodes of *Kairo's Moments (Punjabi)*
- 6 episodes of *Beauty for Ashes (English)*

God is using these episodes to draw listeners and viewers into a personal and loving relationship with Him—many encountering the Gospel for the very first time

This past year has also brought financial challenges for our ministry. But through faithful partnership of churches and missions committees like yours, God has continued to provide exactly what is needed for the work He has called us to do.

As we look ahead to 2026, we are seeking to finish the year strong. To meet our ministry needs and continue producing Christ-centred content, we need to raise over \$150,000 by year-end.

We humbly invite you to continue partnering with us in these ways:
--Pray for us, that God would give us wisdom, provision, and fruit through every project we produce.

--Allow us to pray for you, for your congregation, leadership, and mission as you faithfully serve in your community.

If you feel God's calling, we also ask you to prayerfully consider increasing your financial support as part of this shared Gospel mission. Together, we can ensure that more people around the world hear of God's love and come to know Jesus.
